

Speech: 10 Conclusive Proofs that God Exists and the Bible is True

by Dennis Marcellino, author of *Why Are We Here?:*

The Scientific Answer to this Age-Old Question... that you don't need to be a scientist to understand

When:

Where:

Come and bring your friends, relatives and co-workers who might be away from the faith and/or searching for the truth.

Special Guest Speaker: Dennis Marcellino is the author of six books, including *Why Are We Here? The Scientific Answer to this Age-Old Question...that you don't need to be a scientist to understand*. A popular speaker for events and conferences, he has also been on over 100 media interviews including recently CBN's "Living the Life" on the ABC Family Channel. Dennis is also a former member of some very famous bands including The Tokens, famous for the multi-generational hit "The Lion Sleeps Tonight", Sly and the Family Stone (recently named by MSNBC as one of the top 10 bands of all time), The Elvin Bishop Group and Rubicon (who closed the largest paid-ticket event in history).

Do you, or someone you know, ever wonder about or doubt the existence of God and the truthfulness of the Bible? Based on his uniquely broad education, training and experience that includes science, psychology, spirituality, music, and theology, Dennis Marcellino molds these backgrounds together to form new perspectives that help a person to an objective understanding of life and to see very clearly that there is every logical and scientific reason to believe that a good God exists... and no good reason not to... as well as every reason to believe that the Bible is ALL true and even beautiful and the ultimate resource for having a good life.

What makes Dennis' presentation outstanding and unique? Dennis speech includes:

- Some of the best proofs that God exists and the Bible is true from many fields including physics, logic, psychology, sociology, astronomy, chemistry, biology, geology, mathematics, archeology, anthropology, history, microbiology
- New insights and proofs that are not presented anywhere else (e.g. how and why investigations of the supernatural, invisible and internal human workings are just as scientifically legitimate as investigations of the natural world [which is the limit imposed by many modern secular scientists])
- How to have a strong confidence that God exists and the Bible is all true...based on conclusive evidence
- Proofs and convincing arguments to present to family, friends, teens, co-workers and society in general to help them come to know that God exists and the Bible is true, with tips on how to present and defend Christianity with confidence
- An explanation why atheism is logically impossible
- How to be in harmony and union with a person's continuous relationship with God within
- Concepts and proofs that are easy to understand and communicate to others
- Findings from 40 years of personal research and experience in 21 areas of personal growth and lifestyle
